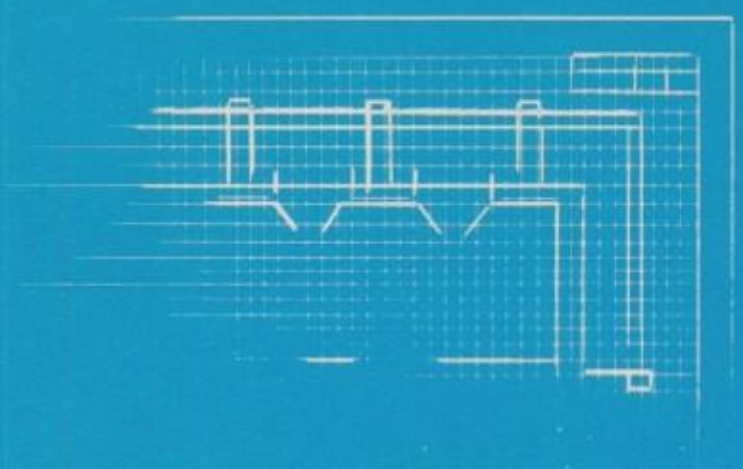
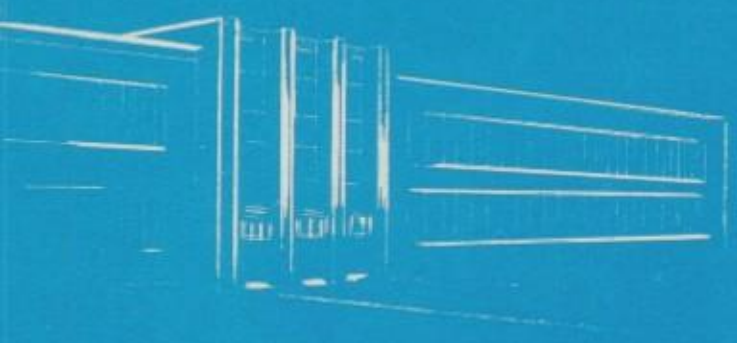
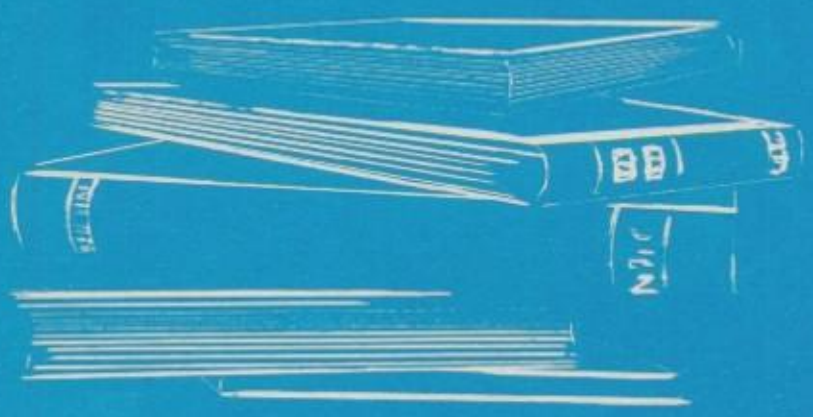
The 1957 VIKING





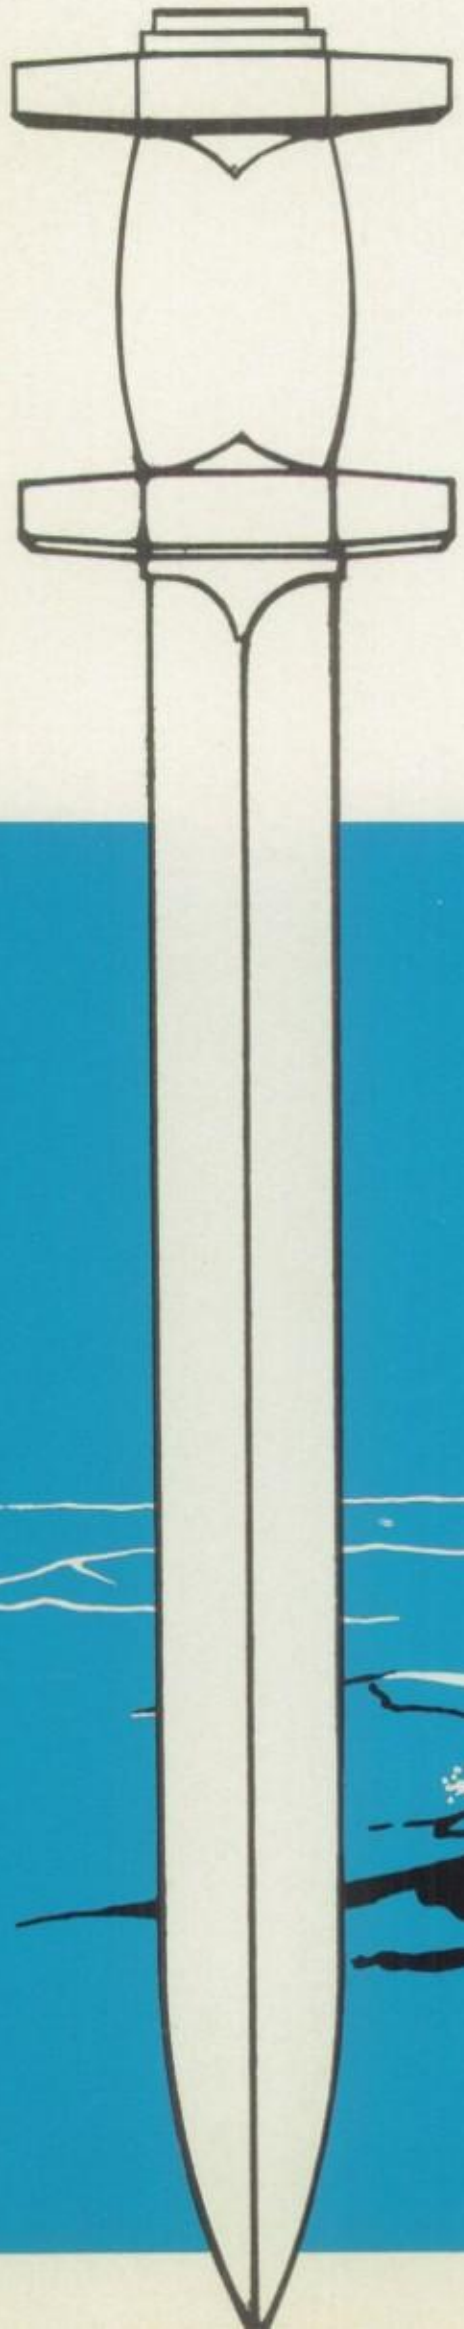


Four Impressive *Years*

Four years ago we were enrolled as freshmen in Hopewell High School. Slowly, we watched a structure grow into the large edifice. We knew the next three years would be exciting. It was foretold that we would move into a new building to complete our remaining three years of high school.

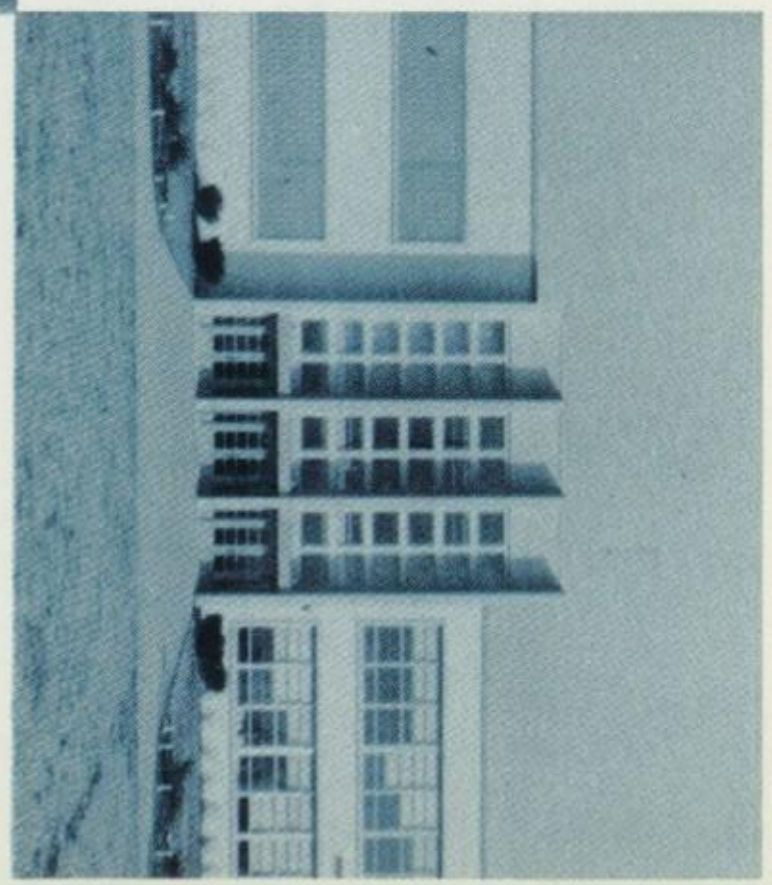
We, the graduating class of Hopewell Memorial High School, have enjoyed these impressive years.

As Remembered in . . . . . .



The 1957 VIKING

Hopewell Memorial High School, Aliquippa, Penna.



Foreword

Within the covers of the 1957 Viking Yearbook are contained the precious memories, humorous and serious, of the events of the past year. But more so, it holds the hard labor and miraculous toil of a working staff. Its pictures convey bright, gay moments; its words contain the prose and poetry of these moments.

Because they are a part of our school, the junior high school has been included in the yearbook by the staff. We are happy that they can share these glorious memories with us.

For the first time in the history of the Viking, colored pages have been included. The pages, including the Board and the Administration, are colored. We hope some day the entire yearbook may be in color.

We have dedicated the yearbook to you, the graduating class of 1957. May its memories become fonder each time you read it.

Let us all try to reach the real goals of education; the full use of our abilities, recognizing the dignity of work, the development of good habits, tolerance of others' beliefs, and the growth of character.

If we all work together toward these aims, Hopewell Memorial High School will improve in the future as it has in the past.

Good Luck, class of 1957.

In Memorium

We, the seniors of Hopewell Memorial High School, pay tribute to Ronald Smith, a well liked and respected classmate. Ronnie came to us as a sophomore transferee from Aliquippa High School in 1954. He was a quiet, conservative member of our class, and was ever willing and ready to help in time of trouble or need. Although Ronnie was with our class only a short time, we shall remember him as a classmate and a friend.

Senior Class History

The beginning or end. Which shall it be for the Class of 1957 after graduation? We started our high school career in the old high school in 1954. Our sponsors were Mr. Kotun, Mr. Volitich, Mr. Brown and Mrs. Williams, who is the only one who stayed with us. Our freshman year was uneventful, but in September, 1955 we entered the new high school as sophomores. This was the year we held the first social in the new gym. We participated as the sophomore class in the weekly assemblies, and most of all – who can forget all the parties we had? The ones at Danny Johnson's, Joyce Reed's, Mickey Vucenich's and Murph's, where Leila Biancucci dressed as Santa Clause and distributed candy canes to everyone. Then we became juniors. "Gaite Parisianne", the Jr. Sr. Prom, was our main goal. We sold magazines, had card parties and bakesales, raising sufficient funds to finance the most beautiful prom ever held in Hopewell. 1957 has come, the time when we must end all high school activities and begin a new career. With our banquet, May Day, Bacclaureate and Graduation, May 28, we can add "finis" to a happy four years in H. H. S. As we depart we must not forget Mrs. Williams, Mrs. Patterson, Mr. Cable, Mrs. Risher, and Hopewell High School – "Deep in our hearts you'll never die."

The "56-57" basketball season was a trying time for Coach Volitich and his team with only two lettermen returning, Michic and Fleming. The job of developing players from new recruits began and from them came our Viking "Five".

The Viking quintet had before them a rough schedule this year. The schedule consisted of ten non-league games and twelve section eight league games. We also had a new opponent, Ambridge, in non-league competition.

Since we lost four lettermen through graduation last year, the job of filling their shoes lay in the hands of new recruits and returning lettermen.

The nucleus of the Viking basketball team is the "big five". Around these five boys is formed a successful or non-successful season. The big five, under the capable coaching of Micheal Volitich, practice diligently throughout the season to enable them to face the tough, long schedule before them.

Coaches Volitich and Waters watch the team in action.

John Jenkins stopped in mid-air.

Adding color to our football games, bonfires and pep rallies were our six peppy cheerleaders. These girls in blue and white prepared pep assemblies with a variety of skits and band selections. They led the crowd with their clever cheers and urged our boys on to victory.

Thanks to Miss Smithnosky our cheering squad was one to be proud of.

Cheerleaders and Majorettes

For nine consecutive weeks the band in the form of the Big-H was led down the football field by head majorette, Janet Murphy. The many hours spent in practice proved worthwhile as the snappy squad preformed each week. In addition to the games they also added a touch of color to the weekly assemblies and the annual pep parade.

Cross Country . . . .

This year Hopewell placed 17th in the WPIAL Cross Country Meet held at the Aliquippa Country Club with eighteen teams participating. The team is expected to be strong next year, since the only loss will be Captain Earl Moore. Paul Rogish will be the boy to watch next year. Paul placed first in all of the meets and is counted on to help very much.

Baseball . . . . . .

Coach Bill Batchelor retired as head baseball coach with a 1956 record of four wins and five losses and assumed the duties of golf coach in 1957.

James Currie took over as head baseball coach by replacing eight lettermen, who were lost through graduation.

"Good Luck, Mr. Currie," says Mr. Batchelor.

Leroy Darner, most valuable player of the 1956 football squad.

The "56" football season was one of rebuilding for Coach Bill Batchelor. With the loss of 22 seniors, the outcome of this year's contests lay in the hands of five returning lettermen.

A very spirited team out-classed Rochester, but New Brighton's eleven proved to be stronger. After edging Moon we traveled to Beaver going down for another defeat against the fast moving Bobcats. Closely matched contests with West Allegheny and Brentwood proved victorious for the Viking eleven. The final game with Coraopolis found Hopewell the under dog.

Juniors

The Class of "58" is composed of approximately 150 students. Their motto is "Small Is The Diploma, But Mighty Is The Effort To Earn It." The carnation is the class flower and royal blue and white its color. The juniors were busy selling cards and magazines to earn money for their big event, the Junior-Senior Prom. Oriental Fantasy was its theme. The class chose a new pattern for their rings and anxiously awaited the day they would receive them.

The junior class sponsors in a friendly discussion – shall we or shall we not have a Jr. – Sr. Prom? Mr. Bonomi, Miss Miketich, Mr. Waters, Mrs. Powell, and Mrs. Windle.

Our eighth grade is composed of a total of 240 students. The eighth graders had contributed a great deal towards the atheletic program of the junior high. Some of the best scholastic students compose this grade group. They are looking into the future with open eyes and open minds, to absorb the knowledge that the faculty of its junior and senior high can provide them.

Seventh Grade

The high school was a new and exciting experience for these seventh graders. They found themselves lost for two or more weeks after school began. Finally, when their schedules were learned, they began to make new acquaintances with both teachers and classmates. Not only was changing classes new to them, but also some new subjects (shop, gym, home ec.). Weekly assemblies, joining of clubs, participation in junior high sports, and the junior high socials were added to their new school life. With their officers and sponsors to lead them, they will graduate as the class of 1962.

The 1957 Viking Staff

This year's 57 Viking staff had worked hard to put out one of the best yearbooks in the history of Hopewell High School.

From early October until early February, the staff had worked diligently to put out a satisfactory yearbook. Late in October we canvassed the area for donations. We also patronized the business section of the area. We finished with satisfying results. Other means of raising money were movies, shown to the entire school on the second Wednesday of each month, and a social.

Our two new sponsors, Miss Woznicki and Mr. Volitich, had helped us very much in spite of the many, many headaches that go along with editing a yearbook.

Mr. Nick Ferri, our able photographer, came to our aid, photographically speaking.

Our yearbook had excellent leadership with Janet Murphy, our very capable editor, Alan Butler, our equally capable business manager, and Coralee Curphey, assistant editor.

The real problem was to get the yearbook ready for press. In the beginning, the pictures and the stories were fitted into the book and it was sent to press.

And Here It Is! We present to you the '57 Viking.

Mr. Pasquarelli, our capable band

1957 was a year of honors for the Viking Band and rewards for the efforts of Mr. Victor Pasquarelli, band director, and his assistant, Mr. Emileo Tolfa. Last summer the band journeyed to Miami, Florida where it won honorable mention for its marching and playing at the Lions Club convention. The band presented outstanding performances at all the football games and provided color and music for the contests. Some band members participated in Mid West District Band. The year ended on a bright note with a very successful spring concert.

Jr. Sr. Prom

It is the custom of the junior class to hold a Junior-Senior Prom in honor of the graduating seniors. The year 1956 was no different from other years in that respect. May 18 found the junior and senior classes enjoying themselves midst a Parisian atmosphere. Fullfilling the theme "Gaete Parisian" the gym was transformed from its usual mundane appearance to scenes from Paris itself. This was made possible through the use of a drop ceiling, muralistic walls, a three dimension castle, a fountain spurting water, and other gay decorations.

Entertainment was provided by Lee Tolfa and his orchestra, and refreshments were served by French Maidens, composed of sophomore girls. Many parents came to observe the results of our efforts.

May Day

May Day 1956, will be a long remembered occasion in the lives of Queen, Patti Placer, King, Ronald Markel, and their attendants. Ronald Swan and Marian Zidarevich, Charles Schubert and Eleanor Mercadante, Darrell Kennedy and Marie Cunningham, Everett Mann and Harriet Persuitte, Ronald Collins and Marilyn Mann, Tom Butler and Barbara DePaolis, Joe Schubert and Helene Maravich, George Strother and Patti Efting, Edmond Barton and Mary Janet Falk, Tony Simoes and Frances Patterson, Rodger Turzak and Serena Kifer comprised the court. The coronation ceremony was performed by Marian Zidarevich and Ronald Swan.

Using the theme "Moments to Remember", the senior class and the court jester, Mary Ellen Hilliker, were able to bring back some unforgettable moments of the past year.

Finis

To us the Senior Class of 1957, this is the end of our high school preparation. Now it is time for us to make the great decision in life. Some of us will go to college, others may go into the mills and factories, or learn a trade. Whatever we choose for our life's vocation, the Hopewell High School's Class of 1957 will live only for the betterment of society.
